Thanks Diane. I am having trouble accessing sharepoint. Could you send this as an attachment?

Hello Heriberto and Michael –

Mary Breeden of the Saginaw EPA office and I pulled together a list of some Kalamazoo Area events and you can link to the spreadsheet below:

[https://usepa-my.sharepoint.com/personal/russell\\_diane\\_epa\\_gov/Documents/Allied%20Landfill%20Community%20Involvement/Kalamazoo%20Outreach%20Events.xlsx](https://usepa-my.sharepoint.com/personal/russell_diane_epa_gov/Documents/Allied%20Landfill%20Community%20Involvement/Kalamazoo%20Outreach%20Events.xlsx)

Some of these events are coming up fast – Michael you may want to work with your contractor to set this up unless Heriberto and/or I need to do it. Also, Mary and I have done several of these types of events in the past for the Tittabawassee site, and if you wanted to talk about our experiences we can schedule a discussion.

Thanks! Still working on the FAQ's and hope to have a draft ready to share soon. Thanks!
